

# PRE-TERMINATED MTP® SOLUTION

## MTP® Trunks and Harnesses

--  
Hybrid 12F

You can be as creative as you like with DMSI's hybrid pre-terminated MTP trunk cable offering. Select from any fiber type, jacket rating, connector or cable colors and fiber count. Cables can be configured with a simple combination of fiber types inside the cable, or different fiber types per MTP® connector. Exclusive use of premium low loss components and optical fiber ensure every cable exceeds required optical performance for your application.
